- Type the portal website link [https:// igot.gov.in/igot/](https://igot.gov.in/igot/), or Download Diksha app on android phone.
- Click on View courses
- Log in or Register via Phone number or email
- Register by filling the form and validate with OTP received on your mobile number.
- Select Board- IGOT(health)
Medium- English/Hindi
Class- Select your work area from list
Subject- Optional
- Select Region and Role
- Select IGOT in organization from drop down menu
- Select a course and start learning

NOTE: After covering this whole training module, students will be provided practice questionnaire for basics of COVID-19. This training module will assist in creating awareness on health education and precautionary measures, health education for home quarantine, creating face shield, stress management and social stigma associated with COVID 19.
