

MAHARAJA AGRASEN COLLEGE, JAGADHRI

10.04.2020

OFFICE - ORDER

It is in continuation of earlier two communications regarding COVID19 lock down and closure of the College accordingly. Pl. ensure-

- That you are regularly engaged with students on phone, WhatsApp and other means.
- That your diligently prepared education material and video lectures reach to your students.
- That entire syllabus is covered through your e- material/ lectures.
- That the revisions are complete and students' doubts and queries are attended and addressed to their satisfaction.
- That the answers of the important questions are placed on the portal and motivate the students to practice the same and prepare for their examinations.
- That suitable assignments and tests be placed on the students Portal and made available to the students through other means for the purpose of Internal Assessment.
- That some of the students may face psychological and mental stress. All teachers may assume the role of a mentor/ Counsellor and try to identify, reach out and counsel such students in order to de-stress, ease out and relax them.
- Identify students who can act as covid-veers by reaching out to fellow students and others deprived in need of food, medicine and other help.
- Hon'ble DGHE has praised the efforts of teaching community who have reached out to people through the phone calls and brought in light some of the glaring gaps in food delivery and services. You also keep on calling people to know their problems and possibility of help.
- It is hardest of the time and we as teachers owe a responsibility to educate and prepare the students to sail out successfully.

Let us do our best to fight out COVID-19. Lend your helping hand to the students and the society at large to help them survive Covid19.
